

## **National Oceanic and Atmospheric Administration (NOAA) recognizes Radiometrics as a Weather Ready Nation (WRN) Ambassador**

The National Oceanic and Atmospheric Administration (NOAA) recently recognized Radiometrics as a Weather Ready Nation (WRN) Ambassador. The NOAA WRN Ambassador initiative helps unify efforts across government, non-profits, academia and private industry toward making the nation more resilient to extreme environmental hazards. WRN Ambassadors are recognized by NOAA as improving the nation's readiness and ability to effectively respond to extreme weather, water, and climate events.

WRN Ambassador Organizations are committed to:

- Promoting Weather-Ready Nation messages and themes to their stakeholders
- Engaging with NOAA personnel on potential collaboration opportunities
- Sharing their success stories of preparedness and resiliency
- Serving as an example by educating employees on workplace preparedness
